

## **Maintenance Power Outage Notification**

**April 24-30, 2017**

This is a courtesy notification from Southern California Edison regarding maintenance outages in your community.

SCE will soon be performing maintenance on the electrical system in the area. In order to perform this work safely, SCE must temporarily turn off power. This outage will allow them to modernize their grid by making needed upgrades and repairs to increase their reliability. They realize that power outages may cause some inconvenience, therefore they try to isolate outages down to the smallest area possible and complete the work safely and as quickly as they can. SCE appreciates your understanding as they work to increase system reliability for the future.
